Supply List:

Use 100% cotton quilting fabrics for all fabrics--I used scraps for mine. I do not recommend a one way print for your first time.

Main Fabric (juvenile print or bright color):

Outside cover: Cut 1 11"X15" piece
Handles: Cut 2 3.5"X11" pieces
Crayon pocket: Cut 2 4"X11" pieces

Lining Fabric (print or solid that plays nicely with main fabric):

Lining: Cut 1 11"X15"
Small pocket: Cut 1 9"X11"

Contrasting pocket fabric (3rd fabric):

Large pocket: Cut 1 11"X11"

Fusible Batting:

Cut 2 11"X15"
Cut 2 3/4"X11"

Velcro: 3" strip

Other supplies for a sew-along:

Sewing machine
Optional--walking foot
Iron and ironing mat
Matching thread (or contrasting color)
Chalk or erasable marking pen
Scissors, pins, general sewing items
Round template, a round glass or old CD--bet you thought you had it all figured out until now!
